

Leaves

Members are often asking about what kind of leaves they are entitled to have. Over the years various the union has negotiated the 5 day work week, over time at 1.5 times your rate of pay if you work more than 40 hours. In addition to wages and hours of work, we also negotiated paid time off. Paid and unpaid time off comes in various categories and depending on your title and years of service you may be entitled to additional paid or unpaid time off. All this is commonly referred to as leave time. It is important to note that all the Union has negotiated and advocated for these contractual leave time and advocated for the various policies we enjoy today. Without your continued involvement and without a strong Union all of this could be at risk.

Annual Leave or vacation time are paid days off to which union members are entitled to take off. The amount of time available is based upon years of service and accrues based upon the number of days worked and years of service. A typical member can earn up to with **3 weeks** of paid time off in their first year and with up to over 5.5 weeks of vacation with 15 or more years of service. Note members who started working after July 1, 2004 earn slightly less than those hired before July 1st, 2004. Please see Annual Leave comparison chart located on our website.

Sick Leave members **12** sick days per year if you were hired before July 1st, 2004 and **10** sick days per year if you were hired after July 1st 2004 for the first five years as an employee. After five years all members earn the equivalent of 12 sick days per year. **Note members can also use 3 sick days per year to take care of an ill family member. 2002-2005 DC 37 Settlement Summary.**

Bereavement Leave members are entitled to take time off with pay not to exceed four days due to the death of a spouse, domestic partner, parent including foster and step parent, child, brother, sister, mother-in-law, grandchild or other relative residing in the house.
